OFFICERS AND MEMBERS

OF THE

Society of United Fraternity,

INSTITUTED MDCCLXXXVI—INCORPORATED MDCCCXXVII.

ADVERTISEMENT.

THE materials for this Catalogue have been collected amidst many difficulties, being nothing but the scattered records of the Society, and the recollection of members.

The list of residences must be somewhat defective; yet no pains has been spared to give every one his present situation.

In 1783 the Society of Social Friends was instituted. In 1786 the United Fraternity was formed from it, by secession.

They stood independent of each other until 1799, when they confederated, for the assignment of an equal number of members to each Society.

The Libraries of both Societies contain *twelve thousand* volumes, six thousand belonging to each Society, to which the members of each Society have access.
